

¡Bienvenidos!

Your child(ren) are registered for Spanish Camp occurring June 15th-19th. Campers may be dropped off no earlier than 7:50 am and picked up no later than 12:10. Please call me at 632-7554 if your camper is sick and/or will not be attending on a particular given day.

Things to bring to camp:

- Each day, please send a peanut-free snack along with your camper(s). Cold, bottled water will be available to students in the reception area.
- Please send an art smock along with your child(ren). This smock will be left at camp during the week and can be taken home on Friday. An example of a smock is an old, long-sleeved dress shirt.
- Please complete the forms that I have included and bring them on the first day. With your permission, I would like to add some pictures of campers to my website, office bulletin board and/or other promotional advertisements.
- Campers will get their Spanish camp t-shirt on the first day. Feel free to have your child(ren) wear the t-shirt during the week.

I am sure your child(ren) will enjoy Spanish Camp with all the fun activities I have planned. Some topics students will be learning about are: Mexican pottery, Monarch butterflies and their migration to Mexico, Aztec pyramids and ancient masks, and various fiestas celebrated throughout the year! Please call me at 632-7554 if you have any questions and/or concerns regarding Spanish Camp.

See you on June 15th!

Sra. Rhonda Richlen
